

# At PlanToys® Every Tree Tells a Story

Green Toy - Green Company

Our philosophy is reflected  
by three simple words:  
**Green, Safe, Smart**

## Green:

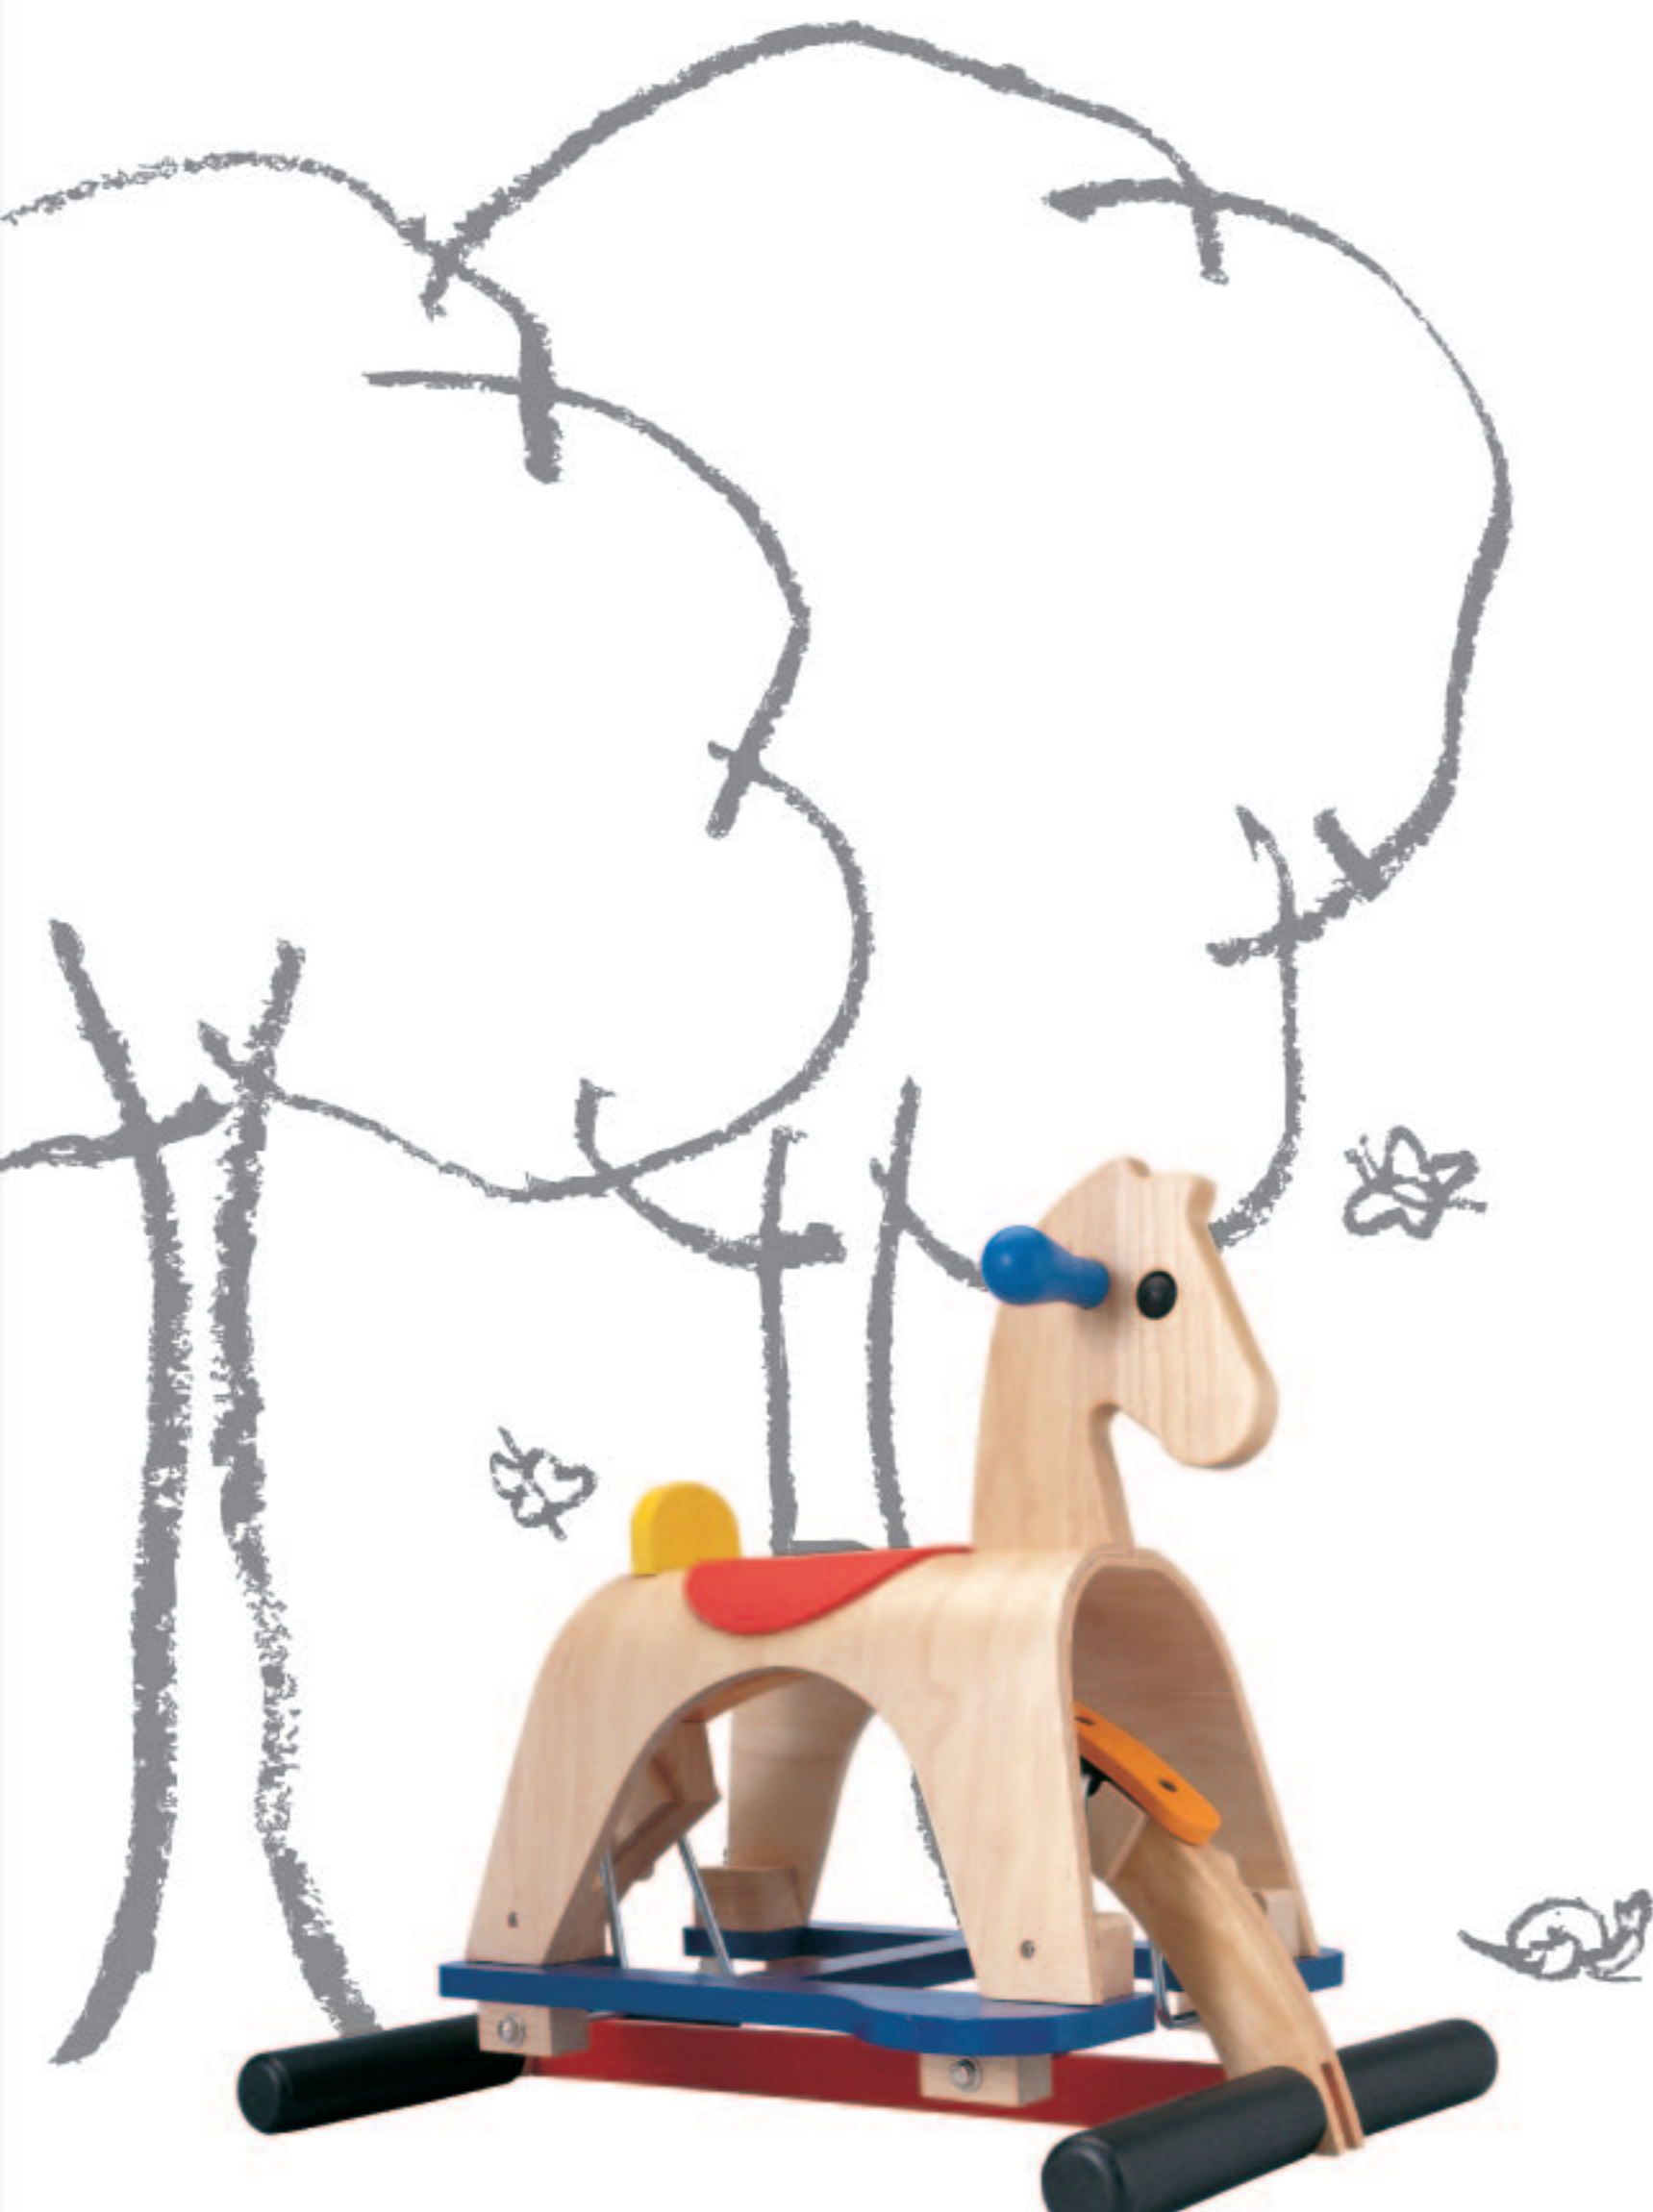

- We start with mature rubber trees that no longer produce latex.
- The wood is kiln-dried, chemical free.
- We only use 100% recycled or recyclable materials.
- Soy and water-based ink is used for all packaging and printed materials.

## Safe:

- Only water-based dyes are used to accent the natural colours of our toys.
- E-Zero (emissions-free) glue and MDF. No formaldehyde.
- All PlanToys® products exceed worldwide safety and environmental standards.
- Safe, healthy work environment for our employees.

## Smart:

- Designed in consultation with child-development experts.
- Buying PlanToys® is a smart commitment that assures safe, educational and fun play for children while supporting a healthy eco-system for our planet.
